

1 Obstacle Course

Rider Begins to left, jumping ground pole, then **MUST** trot through trot poles. Twist around barrels and take the cup from the first pole to the second pole. Take bending poles from either direction, and jump over second ground pole jump

2 Dollar Ride

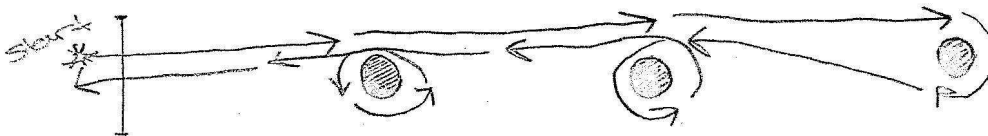

Place a dollar between the knee and the saddle. Riders will go through walk, trot, and canter. Last rider with their dollar bill keeps all

In all events for each occurrence there is a 5 second penalty for knocking over markers and breaking course pattern. The obstacle course has a 3 minute limit to complete.

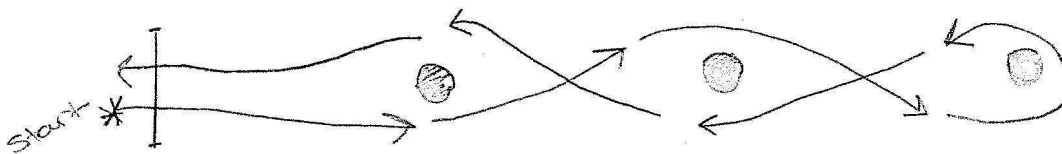

3 Straight Barrels

Run straight to the end of the barrels, then bend them on the way back

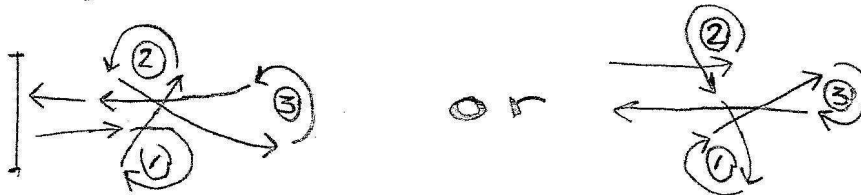

4 Bending Barrels

Bend around barrels both directions

5 Clover

Enter and take barrel #1 making a right turn, and then to barrels #2 and #3 make left turns, then return through the timing line. Or reversed, beginning with #2

6 Follow Me

Riders will have their horses follow them while they run with a carrot around a barrel
